

TransformedLiving™
TRUTH IS POWERFUL • CHANGE IS POSSIBLE

The Transformed Living Experience

The Transformed Living Experience Group Study is a suite of online video discipleship products designed to help you disciple and coach individuals or groups.

The FOUNDATIONS Course (6 Sessions) is the starting point and lays the groundwork for the 14 Additional Sessions (which can be purchased individually or are included in the Full Suite.)

You will explore God's principles and how applying them can impact your life and relationship. Each session includes key truths and applications that provide unique insight into God's original design and how that relates to you today.
